WORKSHOP DESCRIPTIONS

The first nine ACS members to register for any one of the Leadership Courses are FREE and the next eleven member registrants will receive a 50% discount.

After the first 20 registrants, normal rates apply (\$150 members, \$300 non-members)

1. **Leading Without Authority ***** - In today's environment of shrinking hierarchies and increased reliance on individual contributors and teams, the skills in this workshop are valuable to all members, whether you are in a formal leadership position or not. Members and non-members will be able to use these skills immediately in their work and school environments to better direct and manage projects, teams, committees.

This course is being offered from 1 – 5 PM on Wednesday, May 27th

2. **Fostering Innovation ***** - We are constantly challenged to come up with new ideas, approaches, and solutions, yet most of us feel ill-equipped to do this effectively. With a systematic and proven process to generate ideas you can lead your team to develop new ideas. Gain the understanding and tools to tap into your own innovation style and stimulate innovative thinking among your team members.

This course is being offered from 8 AM – 12 PM on Thursday, May 28th

***You **MUST** register and pay in order to reserve your seat for any of the ACS Leadership Courses being offered. The first nine ACS members to register for any one of the Leadership Courses will receive a full refund of the course price and the next eleven registrants will receive a 50% discount. Refunds will be issued to members meeting the qualifications.
